

Exhibition 'Enkindle'

With a view to enkindle the literary interest of students and to attract them to the alluring world of books, our newly formed English Literary Club held 'Enkindle' an exhibition, which brought out the creative best of the school students.

The exhibition which was held on 21st & 22nd July 2017 threw light on the new and different forms of poetry like Blackout poetry, Push Pin Poetry and Lyrics Poetry. The students also learnt about different styles of story writing viz. Nano Tales, Colour- Collaboration Tales and My Word Stories. The four corners displayed fascinating information about Harry Potter and Sherlock Holmes novels, Hunger Games, and the Classics. There was also a 'Sell a Book' table displaying popular books of all times. The anatomies of the Readers, Writers and Debators touched a chord in the hearts of literature lovers.

The exhibition was a roaring success. The feedback register bears testimony to the innumerable hearts it touched and inspired.
